GETTING AHEAD - Apply PVI Model for Career Advancement

Are You a Micromanager or a Macromanager?

Micromanager. It's one of the least flattering labels one can be tagged with in business today. It connotes an unproductive level of involvement in the work and work products, excessive need for control, nit-pickiness, attention to unnecessary details and a generally unpleasant overall workplace experience. Nobody wants to be called a micromanager. But, what's the alternative?

LESSONS FROM LEADERS - In-depth Profiles

Forces of Character: A conversation with Gregg Popovich

When people talk about the San Antonio Spurs, they mention the five championships, they talk about you and Tim Duncan and David Robinson, and inevitably they talk about the high character of your team. How have you gone about building that reputation and infusing character into your organization?

CAREER CENTRAL - Tips for Career Changers

Why the Smartest Person Isn't the Most Likely To Get the Job

Rather than focus on becoming the smartest person in the room (and then sticking your credentials on a résumé), Travis Bradberry, PhD, coauthor of Emotional Intelligence 2.0, suggests taking another approach.

Quotes to Inspire

"Challenge yourself with something you know you could never do, and what you'll find is that you can overcome anything."
~ Anonymous

"I have never in my life learned anything from any man who agreed with me."
~ Dudley Field Malone

"The difference between ordinary and extraordinary is that little extra."
~ Jimmy Johnson

Joel's Words of Wisdom

Thrive When Others Are Being Laid Off

According to the government's latest figures, the nation's unemployment rate is the highest level since 1994. Through October of 2008, the economy has shed 1.2-million jobs this year. But there are lots of ways to thrive when others are being laid off.
