The Critical Building Blocks of Every Manager's Job

We're often so caught up in the relief and excitement of being promoted to manager that we completely miss one important fact - that we have accepted an entirely different job. So, how do you set yourself up for success if you've already signed up for this role? Read these tips to improve your odds...

Lessons from Leaders - In-depth Profiles

7 Things Warren Buffett Can Teach You About Leadership

The "most successful investor of the 20th century" has a thing or two to teach you about being a good leader. As the CEO and biggest shareholder of Berkshire Hathaway and someone who consistently ranks among the richest people in the world, he's smart, business savvy, and slick, even into his 80's...

"If 'leadership' has come to be known as something much bigger than us, aligned to changing the world, then we are spending way too much time celebrating things that hardly anyone can do and not celebrating things we can do everyday." ~Drew Dudley, founder of Day One Leadership

"Success means having the courage, the determination, and the will to become the person you believe you were meant to be". ~George Sheehan
