4 Compelling Reasons You Need to Be More Self-Aware

How important is self-awareness? A study by Green Peak Partners and Cornell University examined the performance of 72 executives from a variety of companies. It found that a "high self-awareness score was the strongest predictor of overall success..."

Joel In The News - Interviewed by Top Media Outlets

Perceptions of your work may linger longer than actions

While you may believe you're a diligent worker and deserve to be rewarded, others may not perceive you the same way. And it's others' perception of you that will determine your success...

Current Executive Coaching Engagements

Learn more about hiring Joel for your [Executive Coaching](#) or [Corporate Speaking and Training](#) needs.

- **Education on how benefits work:** 39% of employees state that their employer provides education on how health insurance works. 24% say that their employer provides education on how health savings accounts work, and 28% confirm that their employer offers education on how to invest money in their retirement plan. (EBRI)
- **Well-being programs providing job satisfaction:** Organizations whose leaders actively participated in health and well-being programs reported higher rates of employee satisfaction with health and well-being programs (83%) and employee perception of organizational support (85%) than organizations whose leaders didn't actively participate. (HERO & Mercer)

"I think one of the keys to leadership is recognizing that everybody has gifts and talents. A good leader will learn how to harness those gifts toward the same goal" ~Ben Carson, U.S. Secretary of Housing and urban Development

"Take up one idea. Make that one idea your life - think of it, dream of it, live on that idea. Let the brain, muscles, nerves, every part of your body, be full of that idea, and just leave every other idea alone. This is the way to success, that is the way great giants are produced." ~ Swami Vivekananda
